Seth Gray

Objective

To obtain a position in the hotel management or tourism industry, specifically as a meeting/event planner. At this point in my career, I am seeking a position that will afford me the opportunity to further develop my understanding of what is required to successfully plan and execute a meeting/event, with this position, I hope to gain what I see as the most valuable tool for a future career in meeting planning... hands on experience.

Education

2004 - 2008 University of Kentucky Lexington, Ky
